

**“Catching Kindness”** sports templates can be copied and distributed to students. They can be used with or without the book, [Travel Tails: All Bark and No Bite](#). The purpose is to catch kids showing kindness to others. It is part of the **“Catching Kindness in Classrooms from Coast to Coast”** challenge.

We’d love for you to post your bulletin board displays or student work on our Facebook Page [@traveltailsbooks](#). Please don’t include pictures with students’ faces. To learn more, visit our website, [www.traveltailsbooks.com](http://www.traveltailsbooks.com). Click on the ***Travel Tails Across America*** tab. Other resources are available in our ***Curriculum Corner***. Here’s to promoting kindness in classrooms across the country!
